Thanks for sharing, Whitney. I made some edits, largely for consistency (internal and with other communications).

Thanks Tom! We drew from a previous fact sheet and added updated details- this won't leave OWOW for a couple days so we can ensure the "August 20 request date" is correct. We are also making good progress on the ESA memo package so expect that to be out in the next couple days, along with the letter to the ACHP chair on NHPA consultation which is complete but not signed.

Mike M. has asked for this by 12pm, but if you need more time let me know and I will speak with him. He's going to have a few of these fact sheets for review.

Best,
Whitney

Thanks Whitney. I'm not aware of any request for fact sheets. We recently provided language to our R4 External Affairs office for desk statements and a press release, so if needed we can pull from that. How would you like to proceed?

Subject: Congressional Fact Sheet Updates

Hi Tom,

Apparently OW is going through a quarterly exercise of updating our Congressional fact sheets- with a 2-day turnaround time for staff. We have been asked to develop a NEW Congressional fact sheet for the Florida assumption efforts. Before starting that, we wanted to see if you'd gotten a similar request so we don't duplicate efforts. If you have gotten a request, let's coordinate to see who's taking the lead. If you haven't gotten a request, we'll draft some language and send to your team for review today or Monday am to meet our Monday COB deadline.

The asks never stop!

Best,
Whitney
